

File 20110119.1225: Notes for WAR:

I found a reference to Fléchais and Sasse (2009) suggesting that assignment of liability motivates stakeholders; this is relevant to the actions of accreditors, I argue, in CDS C&A.

On grounded theory book: this is a methodology I can use. Playing with toy examples.

I have to re-exert limit on Lockheed work to no more than 20 hours/week. Discuss this in the context of too many distractions last week. Discuss plotting with Google Calendar tool to get a quantitative reading on it.

RM 5.01 and 5.02 plans.

Two webinars; plane tickets; Air Force reports.

EAL4 is approximately equivalent to DO-178 Level A (source: Greg Gicca, Director of Safety and Security Product Marketing at Adacore).

GSO.14B form sent to Julie Sheppard; she will give it to Dr Martin for signature and to St Cross College.
