

File 20110606.1021: RM 5.01 certification notes:

The government sponsor D—— (SPAWARSYSCENPAC) emailed Monday to say that the certifier R—— D—— gave verbal permission to field the post-certification patch version 5.0.1P starting today. As soon as the signed letter is received by the programme office, formal permission to field 5.0.1 to TSABI sites will be updated on the UCDMO baseline.
