

File 20100412.2040: Idea for analysis of the crazy Venn diagram (I have got to come up with a better name for it than that): to be able to answer the question, ‘tell me what it means’. Look at the overlapping areas one at a time, analysing each combination thereof for the coincidence of authority with responsibility. Highlight problem areas (make a new slide to highlight them) and say, ‘well there’s your problem.’
