

File 20080314.1259: Additional notes from meeting with Dr Martin today:

- Fix the superscript ‘th’ on dates in Agenda template: bad bad bad
- Get evidence under CM.
- Look for cheap aeroplane tickets. (Has to wait until after student loan refund arrives. But don’t wait too long, as after Memorial Day the tourist trade will drive airline ticket prices up.
- Talk to LMCO sysadmin re: getting emails restored.
- Citation needed: ‘scientists must write’.
- If it isn’t written down somewhere, it didn’t happen.
