Subject: DoD 8570.01 to be updated soon, renamed 8140?

The following appeared recently in the Army CIO/G6, Cyber Directorate Information Assurance Training and Certification Newsletter, dated 1 November 2011, page 6:

<blockquote>

What's new for DoD 8570. manuals in CY 12

- The DoDD 8570.01 will be renamed to DoDD 8140, Cyber Security Workforce.
- Levels I, III, III will be changed to Apprentice, Journeyman and Master
- The new DoD 8570.01-M will include Netops, Red Team, Blue Team, etc.
- DoD is looking to include certain degree programs from the Centers of Academic Excellence Colleges into DoD 8570.01-M
- DoD will add "Certificate of training" on all areas in DoD 8570.01-M for CE/OS certifications

I note that DoD 8570.01-M Change 3 was supposed to have been issued in Summer 2011 and never appeared. DoD Directive 8140 has not been published yet.

No further information available.

I sent the preceding email to Kevin Miller as a heads-up. I only sent it to him; he can pass along word to others if he feels like it. I cannot confirm it.
