

File 20100901.1400: Notes from the Army's red red team exercise today:

- Army Cross Domain Management Office (ACDMO)
- Cross Domain Validation Approval Request (CDVAR)
- Cross Domain Appendix (CDA)
- CJCSI 6211.02C
- Classified Connection Approval Office (CCAO)
- Community Jury
- Army Cross Domain Working Group (CDWG)
- Cross Domain Technical Advisory Board (CDTAB)
- Cross Domain Solutions Panel (CDSAP)

The proposal was turned in on time with the Red Team's comments included. We got a nice series of emails back today from everyone from the project manager, Samantha, on up.
