File 20110719.2000: Notes from [1, p. 18] on grounded theory:

- What are people doing? What are they trying to accomplish?

- How, exactly, do they do this? What specific means and/or strategies do they use?

- How to members talk about, characterise, and understand what is going on?

- What assumptions are they making?

- What do I see going on here? What did I learn from these notes?

- Why did I include them?

- *What strikes you?*

Advice from Saldaña: post these over your coding work space.
